

D. E. SOCIETY'S SUBHDRA K. JINDAL COLLEGE OF NURSING

SWACHHATA ABHIYAN

INITIATIVES

PM Narendraji Modi launched the Swaccha Bharat Abhiyan on 2nd October 2014 following the path shown by Mahatma Gandhi. It is the mantra Mahatma Gandhiji, Father of the nation. He demonstrated, propagated and insisted for individual and community cleanliness throughout his life. As responsible institution D. E. Society's Subhadra K. Jindal College of Nursing adopted Swacchata Abhiyan inside the campus.

As a part of Swacchata Abhiyan various activities are carried out throughout the year at this college.

Details are as follows-

- **Take a pledge:**

Abhiyan various activities are carried out throughout the year at this college.

As per guidelines given by Swaccha Bharat Abhiyan, every year the institution organizes a session whether the entire student and staff take pledge for keeping the clean environment and contributing towards Swaccha Bharat Abhiyan.

- **General cleanliness in the common area:**

Staff and student take conscious efforts to keep the college surrounding clean. Every day cleaning of the college and campus is done by meticulously as routine practice.

- **Plastic free campus:**

This institution aims to measurably reduce plastic waste and pollution in college campuses and the world around them. To eliminate plastic pollution, staff and students are promoted to use Refillable bottle preferably stainless steel and glass. Students are strictly restricted to use any plastic container to carry meals for leftovers, Reusable cup and single use plastic bags. If any plastic waste is generated in the campus, measures are taken to segregate and were send to recycling.

- **Waste management:**

This institution takes all measure required to guarantee that the grounds are free of plastic things and different squanders that harm the earth. All rooms in our college are provided with dustbins for dry waste which are emptied every evening. Segregation of waste

from the dustbins is done in other vital areas thereby ensuring that the college is green and clean.

- **Water Management:**

Safe drinking water supply is ensured in the college campus. Staff and students are promoted to carry refillable water bottle, turn off the water when washing your hands and are instructed to report any leakage to the appropriate authorities. Water supply equipment's are regularly checked for the leakages and repaired immediately. This institution also promotes the students to conserve water and to preserve it for future generations. Students are encouraged to use water wisely.

- **Energy management:**

Students are motivated to use bicycle. They are encouraged to use battery operated or electric vehicles. The electric lights, fans, computers and electric devices used in college are switched off after use. The energy consuming lights are replaced by LED lights.

- **Greenery:**

Institution promotes green initiatives by conserving energy within the office, promoting paperless office, reduce the wastage by reusing. Every year instituted conducts tree plantation drive.
